## Chamber of Commerce Banquet Jan. 16 Hamlin Livestock Show Set For Feb. 15

Two very important "events to come" to Hamlin community are the annual Chamber of Commerce Banquet and the Hamlin Livestock Show.

The annual Banquet will be on Thursday night of January 16, at the Methodist Church. The program has been arranged for which will include some rare musical numbers from Hardin-Simmons University, and the address of the evening will be by the Honorable Brady W. Gentry, Chairman of the Highway Commission. The meeting is called for 7:00 P. M. Tickets are on sale, and as is usual, the number desiring plates will be more than can be assigned. Those wishing to attend should procure tickets at once.

### PLANS FOR A COUNTY WIDE

#### LIVESTOCK SHOW IN HAMLIN

Tuesday night County Agent Floyd Lynch met with a number of Hamlin business men at the High School building to lay plans for a county-wide 4-H and Hamlin F. F. A. Livestock Show. This will be on Saturday, February 15.

All committees and full arrangements have been made and announcements will be made later. Several hundred dollars in prizes will be offered.

### Mr. and Mrs. Boone

#### Boyd Express Their Sincere Thanks

We wish to express our deepest appreciation and thanks to all who in any way rendered assistance and service in placing away our aged parents, who were called so near together. Especially do we thank those for their floral offerings and for the lovely music in the services.

Sincerely,

MR. AND MRS. BOONE BOYD

Billy Fomby, youngest son of Mr. and Mrs. J. W. Fomby of the Wise Chapel Community, has enlisted in the Navy and is now in San Diego, California.

### BAPTIST CHURCH

Here's hoping the flue will let up soon. We hate for so many to have to suffer, and, too, we miss many from our services.

We are looking for better attendance next Sunday. Remember your Sunday School at 9:45. Then, at 11:00, the worship service begins. The choir will be ready with some real spiritual hymns, and the pastor will do his best to bring a message from God's word that will be of help to you. The Training Union service begins at 6:30 and evening worship begins at 7:30. Come to these services Sunday.

Would it not be a good idea to resolve to be more regular in church attendance this year? Nothing will bring you more in return than putting forth the effort necessary to be a regular attendant. It will grow on you, and going to church will be almost as easy as staying at home. Let's form an "all weather club" in our churches. That is better than a lot of clubs we hear of. Think it over. Be one who comes to church rain or shine. Don't be like this: No dashing rain can make us stay if we have tickets for a play; But if one drop the walk besmirch, It is too wet to go to church.

H. E. EAST, Pastor

### Life Story "From Atheism To Christ" Given by Evangelist

The Assembly of God Church has been greatly lifted up by the messages given by the Evangelist Michael Lafeff, on the lines of Prophecy. The Evangelist has proven a great blessing to the church in the way of a spiritual awakening. This coming week he will continue his prophetic messages illustrated by a long, well designed chart. Sunday night, Jan. 12, the Evangelist Lafeff will relate the thrilling life story, "From Atheism to Christ." He is said to be a living miracle, spiritually, educationally, physically. The public is invited to attend the services.

HERMON SMITH, Pastor.

Supt. Fred D. Beard

Everyone is cordially invited to attend the services of the Four-square Church of Hamlin.

### Mrs. T. S. Brown Is Improving Nicely Following Injury

Last week the Herald gave an account of an unusual and unfortunate accident in which Mrs. T. S. Brown suffered a very painful and almost fatal injury when she fell from a bridge where two young people wrecked their car. Mrs. T. S. Brown is not related to the young man, Lofton Brown, and her chief aim in going to the bridge was to try to render aid to the unfortunate. Mrs. Brown suffered a broken collar bone, shoulder and pelvic injury. She will have to remain in a cast for several months and latest reports say that she will be at home this week and seems to be doing well.

Jerry Waggoner suffered a painful and unusual accident last week when he fell and rebroke his arm which had just healed from a break which was caused from a fall while playing ball. The first break occurred Nov. 21, and the latter Dec. 29. Dr. Geo. Thurman took him to the Stamford Hospital where the arm was put in a cast.

### Eugene A. Perry Died Suddenly Near Tuxedo

Last week the Herald had so many deaths to report, that one of them was overlooked, and we regret it.

Eugene Alvin Perry, a farmer residing near Tuxedo, age 59 years 9 months and 5 days, became suddenly ill Monday, December 30, about 5:00 P. M. after working all day in his cotton field, and death came about one hour later.

Besides his wife, Mr. Perry is survived by three sons, L. V., Weldon Eugene and J. B. Perry, all of Hamlin. Five daughters survive, Mrs. E. E. Files, of Houston, Texas; Mrs. J. C. Donaghey, Anson; Gladys Perry, Houston; Mrs. D. W. Esary and Mrs. W. C. Massey, of Hamlin. Also one brother, J. C. Perry of Headrick, Oklahoma; three sisters, Mrs. W. D. Earnest, Hamlin; Mrs. Mattie Bentley, Rinlet, Oklahoma; and Mrs. Beatrice Holloway, of Vicia.

Rev. L. K. Malone, of near Dovie held the funeral at the Dovie church last Wednesday. The body was in charge of the Kinney Funeral Home of Stamford, and interment was in East Cemetery, Hamlin.

### CHURCH OF CHRIST

We appreciate the visits of those that are visiting us from time to time. Won't you also come and enjoy a period of worship with us?

"If you your lips would keep from slips,  
Five things observe with care:  
Of whom you speak, to whom you speak,  
And how and when and where.

If you your ears would save from jeers,  
These things keep meekly hid:  
Myself and I, and mine and my  
And how I do and did."

Do you love God's word?  
Try reading it as regularly as you read the newspaper.

Minister Luther G. Savage

### It Took 6 Years 7 Mo. For Letter To Reach Ft. Worth Address

Last week Mrs. Will A. Parker, who helps operate the Parker Leather Shop, received a letter from a firm in Fort Worth telling her that they acknowledged a letter-order and a check for \$8.00 mailed in Hamlin May 31, 1934.

Evidently this letter got lost in some hole in the Fort Worth office. The order was for some goods that since then have gone out of use. But the check was still sound and good.

### Rev. Hardesty Resigns McCauley Pastorate

McCauley, Jan. 8.—Tuesday Jan. 7th, was the 39th wedding anniversary of Rev. and Mrs. John P. Hardesty of McCauley. It was also the 15th wedding anniversary of their daughter, Mrs. Homer Hutto and Mr. Hutto of Lueders.

January 10th is the first anniversary of Patricia Beryl White, daughter of Mr. and Mrs. John A. White, of Abilene, and granddaughter of Rev. and Mrs. Hardesty. This date is also the 44th anniversary of Rev. Hardesty's public ministry.

January 16th is the 65th anniversary of Rev. Hardesty and also the date of his retirement from the active pastorate.

On Sunday, January 12th, Rev. and Mrs. Hardesty will be dinner hosts to the Homer Huttos and the John A. Whites and other relatives in celebration of these anniversaries in their McCauley home.

Rev. Hardesty has resigned as pastor of the McCauley Baptist church after eight and one half years service in this church, and he and Mrs. Hardesty will move to Abilene shortly where he will be associated with the West Texas Childrens Aid and Welfare Association, of which the Rev. W. A. Nicholas is Superintendent.

Mrs. T. R. Tegart had a second major operation last Monday in the Sweetwater Hospital. She is reported doing well.

Mr. and Mrs. W. S. Carter and little son, James W., age 10, returned Sunday from Greenville where they had visited Mr. Carter's mother, Mrs. S. M. Carter since before Christmas.

### G. R. Gilliam And Harriet D. Gilliam

It is not often in the career of a newspaper that a joint sketch of the lives of a man and his wife are given. Again it is seldom that a man and his wife live together for so long, and almost the same age, pass away almost at the same time, but such is the case with the lives of G. R. Gilliam and Harriett D. Holloway Gilliam.

G. R. Gilliam and Harriett D. Holloway were born in Ray Springs, Tennessee, the former on April 26, 1859 and the latter on April 27, 1859. Mrs. Gilliam preceded her husband in death just a short few hours. She passed away at 11:20 P. M., December 31, 1940, and Mr. Gilliam followed her at 3:00 A. M. of January 2, 1941.

G. R. Gilliam lived to be 81 years 8 months and 6 days of age. Mrs. Gilliam lived to be 81 years, 8 months and 4 days of age.

Funeral services were held in the Hamlin Methodist Church for Mrs. Gilliam Wednesday, January 1, 1941 conducted by a former pastor, Rev. John Hendrix, now of Abilene, and a grandson, the Rev. Norman Shaffer, of Sweetwater. Funeral services for Mr. Gilliam were held at the same place and by the same ministers, except that Rev. J. E. Harrell, the local pastor, assisted in the services Friday, January 3. Interment was in East Cemetery, Hamlin.

These two charming old people were spending the winter with their daughter, Mrs. S. B. Cannon, in Brownwood, when complications of flu and pneumonia quickly took them away.

Mr. and Mrs. Gilliam had lived together as man and wife for more than 60 years. Their lives had been noted for affectionate companionship.

Surviving are five daughters: Mrs. Addie Appenger of Molena, Georgia; Mrs. S. B. Cannon, Brownwood, Texas; Mrs. M. E. Giddens, Rochester, Texas; Mrs. Minnie Reeves, Sweetwater, Texas; and Mrs. Boone Boyd, Hamlin. A son, Bailey Gilliam, died in 1918.

Mr. and Mrs. Gilliam were long standing members of the Methodist Church. Both of them maintained a jovial spirit through the ripening years, and were loved and honored by all who knew them.

### Card of Thanks

We wish to thank our neighbors and friends who were so kind and helpful to us when death came to our dear husband and father. May the Lord bless each and everyone.

MRS. E. A. PERRY  
and Children.

Mr. and Mrs. C. G. Green are spending several weeks in Austin where Mr. Green is representing Group Hospitalization Insurance.

### Congratulations

Mr. and Mrs. Edd Rodgers are announcing the birth of a daughter, Gloria Jean, at their home Friday, January 3.

A boy weighing 7 pounds arrived Friday, January 3, at the home of Mr. and Mrs. O. C. Sanders.

A girl, weight 7½ pounds, was born to Mr. and Mrs. J. R. Hudman, Friday morning, January 3, at the Thurman Clinic.

### Mr. and Mrs. F. B. Moore Are Building A Beautiful Home

For the past several weeks, in fact months, construction work has been going on, as the weather would permit, on the unusually beautiful new home of Mr. and Mrs. F. B. Moore, on Central Avenue, between Second and Third Streets.

The complete description in detail of this nice home is not yet possible, owing to the slow progress of the work. However, it is of unusual design, size and construction. The style is Spanish, known as the "Monterrey Style". It has a large basement room for the general heating unit, and storage. Universal heat will warm each of the rooms, halls, and utility rooms. The building is complete two stories, with white stone veneering. For the time being further description will await final completion. Enough to say that this home is to be one of Hamlin's best and most modern in every detail.

### One-Act Play Contest This Friday Night

Until this year, Hamlin High School has never had an entry in the one-act play contest of the Interscholastic League Meet. This year, however, we will present "The Valiant"—a very gripping drama by Hall and Middlemass.

On Friday night, January 10, at 7:30 this play will be presented in the High school auditorium by three different casts of students. An out-of-town judge will select the characters for the play to be presented in the Interscholastic League Meet according to their acting ability in this preliminary contest.

"The Valiant" is a different kind of play from any that we have ordinarily presented. Dramatic in every scene, it is the story of the actions of a condemned murderer about one hour before his execution.

The eighteen students who are trying for these parts have been working hard for four weeks and would certainly appreciate the support of your presence. Not only will you be assured of an evening's entertainment, but you may also wish to make your own selections for the best acting presented.

A very small admission charge of 10c and 15c will be made to pay the royalty on the play. Please give us your support.

### AN HONOR TO BE AN AMERICAN

On January the first the football team witnessed one of the most memorable spectacles that they will ever see. In the beautiful Cotton Bowl Classic stadium in Dallas, a throng of forty-five thousand thrilled spectators listened to Mr. Humphrey Lee, President of S. M. U., render one of the most remarkable orations ever heard by the crowd. Emphasizing that we as Americans were free to witness sports without being afraid of a bomb blowing us into oblivion, he made us feel like a little boy in his first long pants. A stirring sensation of respect and admiration swelled every person's bosom as this noted speaker closed his memorable oration. You could hear a needle drop as the speaker closed; then Kate Smith, queen of the air waves, sang "God Bless America". A deafening ricolchet came from the wide walls of the stadium as the spectators cheered for the honor of the greatest country on earth. Yes, it will never be forgotten by the people who witnessed this remarkable expression of elation on being an American.

### ONE-ACT PLAY TOURNAMENT HELD TONIGHT

Friday night, January 10th, a one-act play tournament will be held. "The Valiant" will be presented three different times with a different cast each time. Out of these, a cast will be selected Friday night to represent Hamlin Hi in the Interscholastic League. Three teachers are coaching different groups. The following are competing for places in the final cast: The Valiant, Tommy Hill, Harold Fletcher, and Lofton Brown; Josephine, Ethel Belle Neal, Phala Davis, and Marguerite Nobles; The Chaplain, R. A. Dean, A. L. Hudson, and Elmer Feagan; the Warden, Dub Wilemon, D. C. Reynolds, and Jack Ellison; the Jailor, G. W. Turner, Carl Bailey, and J. C. Bledsoe; and the Attendant, Earl Smith, L. B. Bruner, and Billy Calhoun.

The scene is in the warden's office of The State Prison of Connecticut. The plot tells the story of a murderer who is to be executed.

Mr. Jackson Lord, instructor of

speech from McMurtry in Abilene, will select the best character for each role.

### FOOTBALL TRIP

The old jalopy coughed a couple of times, and the District Champs of Hamlin took off for the annual Cotton Bowl Classic at Dallas. The only disappointing thing on the trip to Dallas was that the bus didn't break down a single time. Arriving in Dallas at approximately four o'clock, the players took their bags to their respective rooms, and then ambled off on a supposedly Scavenger Hunt of Dallas. Shows, fireworks, Cadets from A. & M., students from Fordham, and plenty of celebrators served as amusement for the Pipers. After a "sleepless" night, the Pipers saw one of the best games they had ever seen.

Yes, they arrived home at 2:00 A. M., a tired bunch, but nothing could replace this great fun that the Business Men gave them. It was a swell trip, a grand experience, a great game and well: It was all O. K.

### HOME MAKERS OBTAIN

#### NEW ETCHING

The Homemaking Dept. of Hamlin High has just bought a new etching to hang in the combination living and dining room. They are constantly trying to improve this room and make it home like. This lovely original etching is of a beautiful building with a spire; beside it flows a river crossed by a bridge. It is unpretentious, but very lovely. It is bordered with a wide band of cream and a light wood frame. It will do much to improve the Homemaking Dept. and the girls are very proud of it.

### PIPERS GO SNOOPING

WE wonder what person in Stamford was interested enough in Coach Smith to have a 'pretty y'ttle' song played over the All Request Hour especially for him.

Ho Hum, some people just love for Christmas to come, but Santa wasn't so good to that unbeaten Dillingham and Johnson romance. Now, all you girls may wink at your secret love and you 'goin' Jessies may date slap-happy Charlotte 'cause they ain't going steady any more.

It is certainly queer that all the "H. H. S." love affairs are suddenly falling from their pedestals. Have our young Romeos decided to start the new year off right or have our Juliets been left thus bereaved because Leap Year has gone? We wonder?????

What certain boy with dreamy eyes has been going around unscrewing porch lights and we wonder why. Watch out, Phala; your house may be next.

Everyone but Glen Adkins went to see "Flight Command" in order to see Robert Taylor. He went to see the comedy, "A Wild Hare", because he just loves rabbits with long ears.

What eight girls in Hamlin High School have been told by several business men such as the Hon. Chunk McCurdy, Esquire, that they should have their heads examined. If you're wondering why, here's the reason. Eight girls waited on the Stamford highway for the football boys until 2:30 o'clock in the morning. The funny part was that the football boys came back by Anson and left the girls holding the bag.

Since football season Dub Wilemon has been smoking Camels to steady his nerves. But he found even

cigarettes can make one dizzy because the other day he smoked so many he started seeing Pink Elephants and Green Alligators.

Hope Cade and Bobby Barrow have made a New Year's resolution. No more fussing. They seem to be sticking it out, too, because so far they haven't had a fuss this year.

### PIPERS TROUNCE TIGERS

The Pied Pipers of Hamlin started their 1941 basketball campaign by shellacking the Anson Tigers to the tune of 29 to 16. The Anson lads started the ball rolling by leading the Pipers until late in the first half. Then Coles, sharpshooting forward of the Hamlin club, sank a couple of one handed shots to put the Pipers in the lead. After the first half, the Hamlin boys were never behind. Uncorking a devastating attack of quick passing, they steadily ran their score up. If any of the Hamlin boys were outstanding, they were Don Coles, letterman from last year's squad and high point man of the night with 14 points to his credit; and R. M. Petty, an inexperienced boy, caught the fans' eyes with his slingshot heaves to the Hamlin forwards.

Come out and see your boys make their bid for a District Ball Club. This Tuesday night, the Pipers play the rough Hawley team. Support your team with an occupied seat.

### WHERE THE PIPERS SPENT CHRISTMAS HOLIDAYS

"Where did you spend the holidays?" is a question being asked almost every person in Hamlin High School. So, for your information, one of the Piper's reporters went snooping and she found out that:

Miss Loucille Willis divided her holidays between Cross Plains and Abilene.

Miss Emma John Blake went to Santa Anna but, alas, the flu caught up with her.

Miss Camille Smyers was claimed by Arlington.

Mr. Brooks had a roving fever, so he went to Stamford, Hale Center, and Kress.

Mr. Morton spent three or four days in Mineral Wells.

Poor Miss Whiteley and Miss Murphree were down with the flu, so they stayed in good old Hamlin.

Mr. Campbell went to De Leon, Texas.

Coach Smith went to Brownwood, but he didn't escape the flu. He took the football boys to the Cotton Bowl in Dallas on the first.

Mr. Bennett had a big Christmas with the two little girls from the Orphans' Home in Waco. Then he took the girls and the little boy back to Waco. From there he went to Ft. Worth and Dallas.

It seems that Mr. Grigg has them all beaten. He spent Christmas in Lubbock, then on to Amarillo, Santa Fe, and Dallas. He says he got away from the flu by going to the mountains and watching people skii.

Miss Martin spent her holidays in Ft. Worth.

### THANKS TO ALL OF YOU

We, the Players and Coaches of Hamlin High School, wish to express our thanks to those men and women

who made possible our trip to the Cotton Bowl. We certainly enjoyed every moment and mile of our trip. We think we have the best football fans in the state of Texas.

Here is hoping we can repeat next year.

### MID-SEMESTER EXAMS

#### SCHEDULED NEXT WEEK

Mid-semester exams will be given the 15, 16, and 17 of this month. Very few of the students of H. H. S. are looking forward to these exams with anxiety. Walking down the hall, one would hear such remarks as: "I sure dread that Gen. Bus. test;" "Gosh! I hope Coach is in a good mood;" "I bet I flunk that Eng. test."

There are some people who keep up with their lessons every day and these are the pupils who make "A" on exams. There are some who start cramming the night before exams. They try to learn all there is to know in one night. But this is impossible. Everyone will be glad when mid-semester exams are over.

Mrs. J. A. Wilhite and little daughter, Kay Sharon, returned to their home in Harlingen Wednesday, after a visit here with her parents, Dr. and Mrs. L. S. Magee.

## Birthday Party Honoring "Little Andrew" and "Sonny Boy Keg"

Mrs. A. T. Tipton and Mrs. O. G. Harvey honored their husbands with a combination "birthday party" and "watch party" Tuesday evening, Dec. 31st.

Games of 42 were played until 10 o'clock. At this time the hostesses served a delicious plate of fruit cake with whipped cream and punch to the "little boys" and guests. The "boys" were wondering why the serving so early as they understood this to be a "watch" party and it was an awfully long time till twelve.

After refreshment things were cleared away, the hostesses brought "all-day suckers" and balloons for everyone and gifts for the "little boys." They received everything from horns to toy soldiers. Of course they insisted on playing with each and every toy right then and there. You could hear them holler for a block away when anyone so much as touched their "play parties."

After a period of playtime for the "youngsters" everyone joined in a lot of hilarious fun, blowing up balloons, playing funny games, etc. At the stroke of twelve, the pink and blue candles were lighted on the huge birthday cake, and while everyone gathered round singing "Happy Birthday", the boys blew out their candles. Each guest took his turn at popping fire-crackers and balloons and wishing everyone "Happy New Year."

The boys and girls helping to make the birthdays of "Little Andrew" and "Sonny Boy Kegs" the most fun they can remember are: Isabel Rasor, Hal Rasor, Audie Gilbreath, Roy Gilbreath, Elizabeth Brown, H. V. Brown, Velta Gardner, Edward Gardner, Clara Harvey and Frankie Tipton. Maurine and Joe Simpson sent gifts.

## HOGG'S TALES

"Are you fond of Hogg's tales?" asked a lady of an old farmer, the other evening.

"Yes, I like 'em roasted, with salt on 'em," was the response.

"No: but I mean have you read Hogg's tales?"

"No, indeed," said he. "Our hogs are all black and white. I don't think there's a red one among them."

## Party Celebrates Ninth Birthday

Beckie Bowman celebrated her ninth birthday Monday afternoon, with a party at her home. Games were played after which refreshments were served.

Guests were Janet Bonner, Sue Jones, Jaunice Young, Imogene and Patsy Gibson, Wilma Lou Moore, Barbara Tipton, Betty June Taylor, Margaret Ruth Ryan, Betty and Toby Sellers, Elma Ree and Glenna Lynn Brewer, Elizabeth Ann White, Mary Beth Bowman, W. C. Moore, James Riley Tipton, Milton Butler, Lewis LaBaume, Junior Johnson, Jack Bowman, Raythell Smith, and David Owen Butler.

"No, ma'am," he replied, "I'm a fizzician."

## And That's Too Much

## Miss Martin, Home Demonstration Agent, Makes Good Annual Report

The Home Demonstration work of Jones County in 1940 has been carried on by ten home demonstration Clubs with an enrollment of 170 and 10 girls' 4-H Clubs with an enrollment of 146.

The ten home demonstration Clubs worked in kitchens and dairy phase of home improvement as demonstrations, and the girls' worked on clothing and poultry. Eighty-five of the 4-H Club girls completed their work for the year. Yvonne Magee, member of the Anson 4-H Club was selected as the Gold Star girl for 1940.

Another phase of home improvement stressed this year was the mattress program sponsored by the A. A. A., F. S. C. C. and the Extension Service. Eight hundred and sixty-seven applications were accepted, and at the present time all have been made except 38. Many home demonstration Club members have acted as supervisors in this program, and helped to put the program over.

Some of the accomplishments in women's work were: 136 cooperators and seven demonstrators in kitchen work made various improvement in their kitchens. The demonstrations this year were on: "Large Equipment", "Small Equipment", "Storage in the Kitchen", and "Using the Kitchen". Two hundred and eighty-five pieces of small pieces of small equipment were added, kitchens were rearranged and shelves and storage generally improved.

In the dairy work in the women's clubs, the making of cheese, improvement in butter making, and general encouragement in more sanitary dairying conditions were stressed. The County wide dairy day in Anson, in May, served more or less as the climax in dairy work.

In the girls' clothing work some

of the accomplishments were: 140 girls made Christmas gifts, 95 made slips and 85 made a dress or apron. Nine of the ten clothing exhibits at the County wide Contests in May. The Chambers of Commerce of Stamford, Anson, and Lueders and the County Home Demonstration Council gave the prizes.

Eighty-five girls finished their poultry goals and ten demonstrators exhibited pictures of their poultry, and told the story of their work in Anson, in May.

The Land Use Planning Committee of Jones County is endeavoring to help the farmers and ranchmen of the County by having them express their needs and then see that the Agency that can best help them does so.

## POT SHOTS FROM McCAULLEY

BY GEO. DARDEN

Sure 'nuf', folks, McCauley has an oil well. O yes, we told you so. Saturday afternoon they took the cap off. It's no hear say, we were there folks, and beyond a reasonable doubt, she made sixty barrels in sixty minutes, and there's no telling what she will do when the boys clean her out and set the tubing and that's what they will have done before this goes to press. There were plenty of folks out to see it flow and what we mean it's high grade oil, and according to oil men, it's the highest grade of oil in Texas. Before this goes to press you will likely see the picture in a daily newspaper showing oil shooting sky-high from the Maberry No. 1. The rig is up and drilling is about to begin on the J. P. Humphrey well. This well is located about three miles southwest of the Maberry well. We understand that six more locations have been made for wells in this vicinity. Folks, we are not dreaming now, and if you want to get in on the ground floor, you had better hurry to the next great oil boom in Texas—and we are happy to say it's McCauley.

As we write these lines, we are listening to the ten P. M. news via radio, and according to radio reports the Greeks and English are having wonderful success against the Italians.

The first of January saw the court house at Roby buzzing with activity. County officials were being sworn in for duty and there were some new faces coming in and old faces moving out. The success of county officials will depend largely on the co-operation of our citizens—let's give them a lift and not so many kicks.

Mrs. Ted Abbott has been in Abilene at the bed side of her daughter, Mrs. Masser, who has been ill with the flu.

Mr. and Mrs. C. P. Yates visited relatives in Dallas the past week.

Mr. and Mrs. Earnest Gregg and family have moved to the Plains about twenty-five miles southwest of Lamesa where they have rented a farm.

Quite a number of oil field workers have moved to McCauley within the past few days and we will give you their names at a later date.

Several citizens of this communi-

ty attended the last rites for Mrs. Martin in Abilene last Friday. Mrs. Martin was a sister of Mrs. B. F. Short of McCauley.

We see in the Herald that Jack Miles is going to enforce traffic regulations, and that's good news. We have been caught in many a jam and couldn't get home when we were supposed to on account of cars having us pinned in. Even though we may get pinched the first thing, we are glad that Jack is going to make us park right. When traffic regulations are enforced, we will see fewer wrecks.

On January 1st, the Pot Shot Editor started another two year hitch as Justice of the Peace, Prec. 2, though elected in a write-in campaign in the general election, we say thanks for the "honor". We have been dubbed by friends as "Law North of the Clearfork". Well, that is not a bad idea for an oil boom town, and may we add that our motto will be fairness and Justice to all and marriage ceremonies performed on short notice.

There have been a lot of people on the sick list and we are happy to say that the following who have been down with the flu are better: Mrs. L. E. Rector, Pa Martin, Mr. and Mrs. Sherman Houghton, the Bill Wicker family, the Frank Houghton family, the Virgil Steele family and others that slipped our memory.

For a few days we were uneasy about our only Confederate veteran, Pa Martin. We call him Pa because everybody else does and he is a grand old fellow too, and only ninety-seven years young. It's a treat to talk with Pa, and he is better read than most younger folks and remember everything he reads, and boy can he tell some hair-raising tales about the Civil War, and to be frank, he still has no love for those dam Yankees. We expect if you were to ask him about the Battle of Bull Run he would likely tell you that all that didn't run are still there. We hope Pa will see many more moons and we can truthfully say that he is still a young man for his years.

Mr. and Mrs. J. T. Rhoten entertained with their annual dinner in their home three miles north of McCauley on Dec. 29. All of their

children, nine in all, were present—together with their wives, husbands and children. After a grand feed, a photo was made of the entire group by Mr. Henson of Hamlin.

Mr. and Mrs. Earl Rhoten, of Fresno, Calif., are spending the holidays with their parents.

Mrs. Jack Johnson and son, Martin Dee, have been down with a case of flu but are improved and Jack is back on the job at the Gyp Mill.

Word has come to us that Miss Morgan who has made her home with the Levi McCollums for the past few years, passed away at the home of a brother in Georgia.

Dr. Bynum was called to see Jim Pope who is quite ill with the flu. We hope Jim will soon be up and back to his gas station.

Buddy Mustain, who is in the hospital at Stamford, is reported to be doing fine. Buddy was severely injured at the Gyp Mill several weeks ago.

Rev. J. P. Hardesty, for the past nine years pastor of the Baptist church here, tendered his resignation as pastor last Sunday. Bro. Hardesty expects to work with Rev. Nichols in his great work with orphan children. Bro. and Mrs. Hardesty will make their home in Abilene and we may say with all sincerity that we, the people of this community, are losing two fine citizens and they will be greatly missed in the church and in the town and community.

Senator Wheeler is raising the devil about our President's fire-side chat the other night, and the senator says that Mr. Roosevelt is leading us into war. We call the President's fire-side chat, "A common sense appeal to the American people." The senator from Montana is either misled by Hitler propaganda or else he is just plain DUMB. If we do not help Great Britain, then who is going to help in case we get into a hornets' nest? A lot of folks get into public office by fooling the people, and after they get there, it is big I, and little You. Again we quote a great statesman: "Taxation without Representation is Tyranny."

—A DARDEN-O-GRAM.

## BOYD CHAPEL CHIRPS

(By Mrs. Albert Haught)

It seems as though we are going to have some more bad weather, maybe some snow before it's all over. Due to bad weather and sickness there wasn't a very large crowd at the churches Sunday.

Misses Lola and Viva Milstead returned to their schools Saturday to begin teaching Monday.

Miss Robbie Cornelius is at home with her parents, Mr. and Mrs. J. P. Cornelius, this week from her work in Sweetwater.

Miss Frances Coffman, a teacher in our school, spent the week end with her parents in Abilene.

Dee Young is home with his parents, Mr. and Mrs. C. E. Young, from his work in Portales, New Mexico.

Lee Ward spent Thursday and Friday of last week with relatives near Abilene.

Mrs. Burkett, of Girard, mother of Harry Burkett, came down last week for a visit with her new grandsons, Kenneth and Kendal, who are at the home of their maternal grandparents, Mr. and Mrs. O. C. Estes.

M. L. Haught was in Abilene Monday on business.

Mr. and Mrs. Joe Allen spent Sunday with Mr. and Mrs. J. P. Cornelius.

Mrs. Theron Bingham spent last week with her sister, Mrs. Edd Rodgers, and baby in Hamlin.

Almost everyone in our community has been sick. Some have flu, some have whooping-cough, and some have had both.

Don't forget, folks, the Boyd Chapel outsiders are presenting a three act play at McCauley Friday night entitled "The Gate to Happiness." There are ten characters. You will be laughing and crying at the same time. A minister's son falls in love with a girl of the follies, but the romance is broken by the minister. Come and see it, folks; it will be worth the small admission charge and then some.

Dr. Don Gould, President of the Dist. Four Texas State Chiropractic Association, attended the District Chiropractic convention at the Cactus Hotel, San Angelo, last Saturday. Dr. F. L. Charlton, of Austin, Texas, was principle speaker of the evening, discussing some of the Texas public health problems from a legislative standpoint.

Dr. and Mrs. Gould journeyed to Breckenridge from the convention, where they spent the day with Drs. Light of that city, and other relatives.

### "Build-Up" Relief Explained to Women

A simple method has saved many women a lot of suffering! It is based on the fact that headaches, nervousness, cramp-like pain are often symptoms of functional dysmenorrhea due to malnutrition.

Help for this condition so often follows the use of CARDUI, because it usually increases the appetite and the flow of gastric juice; thus aids digestion and helps build physical resistance. Usual result is less periodic distress.

Many who take CARDUI a few days before and during "the time" have found this helps ease periodic discomfort. Women have used CARDUI for more than 50 years!

Miss Jeanette Woodward of Anson was a guest of Mr. and Mrs. John C. Jenkins the past week end.

Mr. and Mrs. L. F. Cozzens have moved from the Boyd Chapel community to Tulia, Swisher Co., to make their home.

Mr. and Mrs. C. C. Prater were among the Hamlin people who attended the big football game at the Cotton Bowl in Dallas New Year's Day. Mrs. Prater says she could hardly see the game for watching the people.
